**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Do not allow USTelecom's request to dismantle key components of the 1996 Telecommunications Act. We choose a competitive provider. We why you want more competition! Broadband is critical to our organization. We have fiber today but were previously connected with competitive DSL. We have competitive telephone service but did not before our current small independent ISP.

Sincerely,

Grassroots House
